DECAL GIVE AWAY

Free DIY Decals

Welcome to Issue 5 Of Psycho Styrene Model Magazine. This issues we will are giving away a sampler of the decals that are available from Retro Modern Models check out the shop and see what they have there. There are also instructions on there in their how to section telling you the best way to change these in to decals, alternatively you can print them out and use them as stickers to apply to your models.

I hope you enjoy these and find some use for them
